To all at the Sikh Union,

On behalf of the British Lung Foundation we would like to say a huge thank you for the fantastic donation of £501.00 raised from the Coventry Sponsored Walk. We know how much time, effort and hard work went into organising the walk and also into raising the funds.

I would also like to say a massive thank you to everyone that took part in the walk and please convey to them how grateful we are in receiving their generous donations.

Much of the Foundation's work is in raising funds for vital research into 40 different lung diseases and your contribution will help to carry the programme forward.

Once again thank you for your kind generosity.

Many thanks

Caroline, Sajedah & Naadiya
